LEARN360

IT'S NOT JUST VIDEOS!

More than 140,000 media resources (and growing!)

The Premier Multimedia Resource for Any K–12 District or School

We Make It Super Easy

Using *Learn360* is EASY

Incorporating video into the classroom or an assignment can be daunting, but not with *Learn360*.

- The interface and features are easy to use and intuitive
- It's browser-based—no special software or hardware is needed
- Downloadable content makes bandwidth issues irrelevant
- Help is just a phone call or live chat session away if you need it

Integrating *Learn360* is EASY

Admins will love the flexibility and seamless integration options with leading discovery tools and learning management systems.

- Single sign-on, LDAP, and IP authentication
- Seamless LTI integration
- Authenticated HTML embed code that allows direct access to videos
- Customizable platform that includes home page features, account preferences, school branding, and the ability to build your own sliders
- Option to add your own Custom Content (such as videos of classes, school plays and sporting events, science fairs, etc.) or external video content from educational Web Channels
- Exportable metadata that makes it possible to integrate *Learn360* content within *any* system
- Free MARC records for video, audio, and interactive content

Why pay for content if you can't access it?
